

Terms and Conditions:

Last Updated November 2020 - bitcoinlotterys.com

By accessing the bitcoinlottery.com (the "**Website**") and any other services available within the bitcoincasino.crypto website/s (collectively the "**Gaming Services**"), you agree to be bound by these Service Terms. If you do not agree, please do not use these Gaming Services.

The technology allowing the operation of these services is the sole property of Darkhorse Technologies Limited, a Canadian limited liability company ("**Darkhorse**"). bitcoinlotterys.com

It is your responsibility to check these terms periodically for changes. Your continued use of the Services following the published updates to the terms will mean that you accept and agree to the changes.

We reserve the right to terminate this agreement at our sole discretion. In the event any of the provisions contained herein have been breached by you, or we have reason to believe you have breached them, we may also withhold any of your winnings without any previous notification.

By accessing, browsing, or using this website/s, you recognize that you have read, comprehended, and agree, to be bound by these Terms and Conditions and to comply with all applicable laws with regards to iGaming and specifically lottery ticket purchasing and adhere to the regulations of your country of residence. Your country of residence is the Country in which you are currently living in, at the time you process your application to purchase a lottery ticket.

1. Restrictions:

To be eligible to use the Services, you must be at least 18 years old. You may not use our Services if you are resident or located in any Prohibited Jurisdictions. (the "**Prohibited Jurisdictions**") mean any jurisdiction where your participation would be in conflict with any applicable law or any other rules, including those relating to online gaming.

You agree that any funds deposited in your account do not originate from any illegal actions or sources as defined in your jurisdiction. You also understand that by using the Services, you run the risk of losing any deposited funds in the event the Services are compromised. Your access to the Services is on your own initiative and you are responsible for your compliance with local laws if and to the extent local laws are applicable.

We make no representation that our Services are appropriate, available, or allowed in your jurisdiction.

2. Accepted Currencies:

The Services support up to 20 of the top trading cryptocurrencies including Bitcoin (BTC) and Bitcoin Cash (BCH) as preferred. The Service does not support any form of FIAT Currency transactions.

3. Fair Play:

We won't cheat you, and we expect you to extend the same courtesy to us. If you are found to be cheating at any of our lotteries or games, your account will be closed, and your funds confiscated without further notice. Cheating includes, but is not limited to, hacking our servers to gain inside knowledge, or colluding with any of our agents.

We would like to clearly clarify, that playing the lotteries and game strategically and intelligently is fine with us. We do not consider automated playing programs ("**bots**") to be cheating.

Please do not send server requests too quickly or we may disable your account.

4. Inactive Account:

Every user is automatically given an anonymous account when they access the bitcoinlotterys.com URL

For the purpose of this section, your account becomes "active" when you either register and purchase any entertainment on the platform and /or deposit cryptocurrency into your player account using the wallet address

found under the "Deposit" tab. Please note that we reserve the right to close your account if it's not been accessed for more than six (6) months.

Funds associated with a closed account will be forfeited.

5. Cross Chain Recovery Policy:

Any deposits that are intentionally or mistakenly sent to a wrong address on the bitcoinotterys.com website will be considered irretrievable. Moreover, Darkhorse shall not be liable or responsible for any funds sent by you to a wallet address not owned or controlled by Darkhorse.

6. Risk of Cryptographic Systems:

By using the Services, you represent that you understand the inherent risks associated with cryptographic systems and warrant that you have an understanding of the usage and intricacies of native cryptographic tokens, like BTC and BCH.

You acknowledge and understand that cryptography is a progressing field. Advances in code cracking or technical advances such as the development of quantum computers may present risks to cryptocurrencies and Services, which could result in the theft or loss of your cryptographic tokens or property. By using the Services, you acknowledge these inherent risks.

You understand that BTC, BCH, and other blockchain technologies and associated currencies or tokens are highly volatile due to many factors including but not limited to adoption, speculation, technology, and security risks. You also acknowledge that the cost of transacting on such technologies is variable and may increase at any time.

You acknowledge these risks and agree that Darkhorse cannot be held liable for such fluctuations or increased costs.

Any translation provided may not accurately represent the information in the original English.

9. Site Policies, Modification and Severability:

We reserve the right to make changes to our site, policies, and these Service Terms at any time. If any of these conditions shall be deemed invalid, void, or for any reason unenforceable, that condition shall be deemed severable and shall not affect the validity and enforceability of any remaining condition.

10. General Terms of Service – bitcoinlotterys.com:

These terms of use ('**Terms of Use**') apply to your access and use of the bitcoinlotterys Ticketing Concierge website.

Darkhorse, have the right at any time to change, alter, add and/or remove portions of the Terms of Use by updating the contents herein. You are advised to periodically visit this website and review current Terms & Conditions, Terms of Use and our Privacy Policy.

Darkhorse, in our sole discretion, and without prior notice reserve the right to alter or discontinue any aspect or feature of the lottery ticketing website, including but not limited to, the content, equipment and software needed for access or use, and minimum equipment and software requirements of this website.

Services referred to in this agreement, are subject exclusively to these Terms of Use. You will not use the website and services related to same for any purpose that is unlawful or prohibited by these Terms of Use. By using the website/s and services you are fully accepting the terms, conditions and disclaimers contained within this whole notice.

If a particular service requires you to open an account you will be required to complete the registration process by providing certain information and registering a username and password for use with that service. You are responsible for maintaining the confidentiality of the username and password and also for all activities, which take place under your account.

You agree to immediately notify us of any unauthorized use of your password or account or any other breach of security. In no event will we be liable for any indirect or consequential loss or damage whatsoever resulting from the disclosure of your username and/or password.

By using the bitcoinlotterys.com services you acknowledge only one account is allowed per person and/or company on the website. Your account is not transferable. Under no circumstances shall you allow or permit any

other person or third party, including without limitation any person under the age of 18 to use or re-use your account.

Any person found to have violated this section will be subject to having his or her account(s) cancelled at our sole and absolute discretion.

Any person found to have violated this section may be reported to the relevant authorities for criminal prosecution. We also reserve the right to institute civil proceedings against you and/or the offending third party/s for violation of the terms of this section and all damages related thereto the site is intended for individuals over the age of eighteen (18) or the age of majority in your country of residence. Therefore, if You are under 18 years, or age of majority in your place of residence, you are prohibited from registering an Account (as set out below) and using the services and website. If it comes to our attention that a user is under the age of 18 years we may, to the extent possible, cancel that User's Account and/or access of the Website.

Subject to applicable registration and eligibility requirements, and your compliance with these Terms and Conditions, we offer certain services in connection with the website, including, and without limitation to: The Lottery Ticket, Subscription Service, Alert Service, Prize Collection Service and other Associated Services.

11. Operation and Registration of Account:

To use the bitcoinlotterys.com website and its ticketing concierge services, it is necessary to register an account and submit information in connection with Your Account and services to be provided.

You freely agree to submit information to Darkhorse and its management services companies, however, if You choose not to submit mandatory information you may not be able to register Your Account and use or participate in certain services.

You may only register one account for your own personal use. When creating Your Account, you must provide accurate and complete information. You are solely responsible for the activity that occurs in Your Account and you must keep Your Account password secure. You must notify us immediately of any breach of security or unauthorized use of Your Account. Darkhorse have no obligation to maintain your user's name or password. If You misplace, forget or lose Your User Name or Password, we shall not be liable for any direct or indirect loss or damages related to same.

To use the website services and to acquire a lotto ticket/s with your cryptocurrency, you will be required to provide us with details of your payment and/or your transfer of deposited cryptocurrency into your bitcoinlotterys.com lotto account by actions specified by us. We may potentially request for a debit to be undertaken from your cryptocurrency wallet immediately after you place your request to purchase any type of lottery ticket displayed on our website, we will once payment is received, purchase your ticket in your chosen lottery on your behalf.

If the cryptocurrency in your account is insufficient at the time of the request placed by you, we will not purchase the ticket on your behalf, regardless of whether your request was registered with us or not; this will also be applied in cases in which there is any change in the cost required by us for the purpose of buying the original ticket for you on your behalf, even if that change occurred after you have requested we purchase the ticket or after your request has been registered with us.

We are not under any obligation to notify you of any such happening and it is your sole responsibility to confirm that there are sufficient funds in your bitcoinlotterys.com account to pay the amount or that the means of payment provided by you allow the payment of the amount required.

You hereby release, indemnify and hold Darkhorse and/or its management partners harmless from any claims, liabilities, damages, losses, costs and expenses arising from not purchasing lotto tickets due to insufficient cryptocurrency, in whole or in part, in your account or the inability to debit the means of payment provided by you, in whole or in part.

Without limiting the above, you can verify that the Original Lottery Ticket was purchased on your behalf by logging into Your Account and reviewing your lotto ticket/s promptly. (Tickets may be deposited in your account between 30 minutes and up-to 24hrs post successful purchase, depending on your time of purchase and your location)

12. Participation with Other Subscribers in any Underlying Lottery Game:

bitcoinlotterys.com may offer, with respect to various Underlying Lotteries, the ability to participate in the purchase of lotto tickets with other users, pursuant to a program provided by Darkhorse and its management services provider/s (the 'Programs').

The user participating in the program will be entitled to receive a fractional portion of the Underlying Lottery winnings attributed to the Underlying Lottery ticket/s purchased in connection with that program (subject to all other provisions of this Agreement) in accordance with a ratio determined according to the number of Underlying Lottery tickets and/or the price of the Underlying Lottery tickets purchased for you and for the rest of the users acting in the Underlying Lottery program, as well as in accordance to the potential fees paid to us in connection with the setting up and management of the Underlying Lottery program (the 'Ratio').

If You choose to participate in any Underlying Lottery program, you will be requested to inform us of the number of Underlying Lottery tickets you want to buy (subject to limitations provided in the program). We will purchase the Underlying Lottery ticket/s on Your behalf, subject to and only after all of the required number of Underlying Lottery ticket/s (according to the relevant Underlying Lottery program) are ordered by bitcoinlotterys.com wallet holders and using cryptocurrencies as form of payment consideration; if not enough Underlying Lottery ticket/s are requested to be bought on behalf of users, then we shall not purchase any Underlying Lottery ticket/s at all in connection with that Underlying Lottery program; we are under no obligation to provide you with any notice to that effect, and it is your sole responsibility to verify that the Underlying Lottery tickets you requested to be bought in accordance with a Underlying Lottery program. The provisions of this section do not limit the provisions of any other section in this agreement.

Without limiting the other parts of this Agreement, it is set out and acknowledged that all of the Underlying Lottery tickets purchased in accordance with any Underlying Lottery program are co-owned by all of the users participating in that Underlying Lottery program, and none of the users participating in that Underlying Lottery program are entitled to receive any part in the winnings beyond their portion according to the Ratio.

For the avoidance of doubt, any registered player that participates in the purchase of any Underlying Lottery program with other users, pursuant to a program provided by Darkhorse and its management services provider/s and due to additional Underlying Lottery security measures undertaken at lottery.birtcoin.com the individual participant/s WILL NOT receive a scanned ticket. bitcoinlotterys.com will act as the Underlying Lottery program custodian on all entry's behalf.

13. Bonuses and Related Policy:

All bitcoinlotterys.com promotions, bonuses or special offers are subject to promotion-specific terms and conditions and any complimentary bonus must be used in adherence with such terms and conditions of that specific scheme.

Darkhorse and/or its management partners reserves the right to withdraw any promotion, bonus or special offer at any time. In the event that bitcoinlotterys.com believes you are abusing or attempting to abuse a bonus or other promotion, or are likely to benefit through abuse or lack of good faith, then bitcoinlotterys.com, at its sole discretion, deny, withhold or withdraw from you any bonus or promotion, or rescind any policy with respect to you, either temporarily or permanently, or terminate and/or block your access to the bitcoinlotterys.com services and products without being under any obligation to pay you any amount (even winnings generated from the use of such promotion, bonus or special offer).

14. Purchase of Underlying Lottery Tickets:

At the time or after you the user requests to purchase an original Underlying Lottery ticket/s within any specific chosen Underlying Lottery (individually or as a group) and the purchase is successfully registered on the bitcoinlotterys.com website, we will (subject to the provisions of this Agreement) attempt to purchase the Underlying Lottery ticket/s in accordance with your request; where your request to purchase any Underlying Lottery ticket/s as part of an Underlying Lottery program, the provisions of this section and the other provisions of this agreement will apply.

If possible, we will permit the user to request specific properties of the Underlying Lottery ticket (for example user's individual numbers chosen for the purposes of that Underlying Lottery ticket's participation in any Underlying Lottery (on the bitcoinlotterys.com lottery website), subject to the availability of such properties in the Underlying Lottery draw and in connection with which the Underlying Lottery ticket is purchased and subject to the availability of such an option provided by us.

It is acknowledged and confirmed that payment by the user is higher than the price of the Underlying Lottery ticket/s, (unless a Bonus Credit is used) and the user understands that the difference between the BTC and/or BCH and/or any Cryptocurrency consideration paid by the subscriber and the price of the original Underlying Lottery ticket represents fair compensation to bitcoinlotterys.com in connection with the technical requirements, general business / operational services, company administration services, company consumer services and the groups legal services being provided by bitcoinlotterys.com, its employees and partners to you the lottery player.

You hereby waive any claim or dispute in connection with the difference between the consideration paid by you the user and the face value of the price of the Underlying Lottery ticket, including, but not limited to, the quantum and appropriateness of such difference.

For the avoidance of doubt, Darkhorse will show all consideration on the bitcoinlotterys.com website as Euros and/or USD and in turn exchange to cryptocurrency in accordance to your preference of the Underlying Lottery and in accordance with the valid exchange rates as determined by the spot price at the time of the determined exchange, the exchange used to determine the exchange rate is solely at the discretion of Darkhorse.

Once the user has requested the purchase of a lottery ticket in any Underlying Lottery, the user will not be able to cancel such a request, even if the Underlying Lottery ticket has yet to be purchased by us.

All requests to purchase Underlying Lottery tickets are final, non-refundable and non-terminable for any reason whatsoever.

When the Underlying Lottery ticket is bought for you on your behalf, it will be stored and kept in safe keeping by bitcoinlotterys.com and/or its authorized representatives in the country which hosts the Underlying Lottery (the Underlying Lottery Jurisdiction), maintaining the local Underlying Lottery of your choice – Government / State Legislation requirements.

A scanned copy of the original purchased Underlying Lottery ticket is set out in your personal - User Account.

It is hereby confirmed and acknowledged that the recording of your request to purchase the Underlying Lottery ticket does not mean that the Underlying Lottery ticket has been purchased. The Underlying Lottery ticket is confirmed to be purchased only after a scanned copy of the Underlying Lottery ticket is available to view in your personal - User Account and subject to darkhorse and/or its management or operational / whitelable partners discretion, the original Underlying Lottery ticket can potentially at the discretion of bitcoinlotterys.com be delivered to you via email.

Darkhorse and/or its management partners will not be held liable in connection with any such request where the Underlying Lottery ticket was not purchased (or was purchased using other characteristics than the ones requested), including (but not limited to) where such occurrence was due to human and/or technical errors and/or failures. It is the user's sole responsibility to confirm that an Underlying Lottery ticket was purchased according to the user's request.

Without limiting this section or the provisions of this agreement, it is hereby confirmed that all requests to purchase any Underlying Lottery ticket/s must be made at least 4 hours prior to the time of the Underlying Lottery game or draw in respect of which the request to purchase a Underlying Lottery ticket was made (the 'the 4 Hour Period');

Where the Underlying Lottery game or draw is played and/or performed during or adjacent to a national holiday, bank holiday or any other day which is not a business day in the jurisdiction in which the ticket applicable to that Underlying Lottery game or draw is purchased, then a 24 Hours Period shall commence 24 hours prior to the beginning of such national holiday, bank holiday or any other day which is not a business day, and will also include the period of such national holiday, bank holiday or any other day which is not a business day. We are under no obligation to purchase any Underlying Lottery ticket for any reason and in any event if the request to purchase such Ticket was made during the 24 Hours Period.

Without derogating from the above, we may purchase an Underlying Lottery ticket if the request to purchase it was made during the 24 Hours Period, but is under no obligation to do so. If an Underlying Lottery ticket was not purchased due to the fact that the request to purchase it was made during the 24 Hours Period, the Company will purchase a similar (as close to the next date of the lotto as possible) Underlying Lottery Ticket for the next Underlying Lottery game or draw.

Without limiting any other provision of this Agreement, where the Underlying Lottery ticket was not purchased, we may, at our sole and absolute discretion, provide the user with an alternative service aimed at securing the user's participating in the Underlying Lottery draw; this will be performed by providing you with an equivalent product to the Underlying Lottery ticket which will ensure that you will receive the exact same benefits as if the Underlying Lottery ticket was purchased (excluding actual Jackpot amounts) . This service will be operated and implemented at bitcoinlotterys.com sole discretion in select instances.

The participation in the Underlying Lottery draw by way of the request and the purchase of Underlying Lottery ticket/s on your behalf is subject to, and in accordance with, the terms and conditions of this Agreement and the laws, rules, terms and conditions under which the underlying lottery draw is performed by the regulated operator of the individual underlying lottery as well as any terms and conditions set out in the jurisdiction of the country or jurisdiction where the underlying lottery takes place, including any taxes, fees and winners deductions.

For the avoidance of doubt Underlying Lottery means: a lottery game that is based on or a lottery-style draw conducted by a regulated licensed operator, for instance lotteries such as the US MegaMillions and/or the US PowerBall and/or the EuroMillions.

For the avoidance of doubt Underlying Lottery Operator means: the regulated local organisation that organises / maintains its regulatory duties and/or any group associated with the Underlying Lottery Operator that is engaged to co-organises the Underlying Lottery.

For the avoidance of doubt bitcoinlotterys.com, Darkhorse and/or its partners advise that we are not directly associated with any underlying lottery provider and act as a sole representative lottery messenger service provider.

15. Underlying Lottery Results and Underlying Lottery Payouts:

Results of the individual Underlying Lotteries on the bitcoinlotterys.com website, are set out by the legitimate Underlying Lottery Operator, the licensed and regulated Underlying Lottery Operator of your chosen lottery, all results will be posted on the bitcoinlotterys.com website after they are published firstly by the Underlying Lottery Operator or any group associated with the Underlying Lottery Operator that is engaged to co-organises the Underlying Lottery.

By participating in any Underlying Lottery, the user can be paid winnings in either cryptocurrency or the currency the Underlying Lottery Operators licensed jurisdiction allows, specifically where the lottery is operated (the "Operating Jurisdiction") paid winning currencies are depending on the winning value as outlined within this Agreement.

To ensure that there are no errors, only the final results of the Underlying Lottery draw as published by the Underlying Lottery Operator will determine the winnings of each Underlying Lottery ticket, bitcoinlotterys.com are not the Underlying Lottery Operator and inform the user that in any case in which the Underlying Lottery results published on the bitcoinlotterys.com website differ from the Underlying Lottery results published by the Underlying Lottery Operator, the results published by the Underlying Lottery Operator will be the exclusive Underlying Lottery results that will determine the winnings attributed to each Underlying Lottery ticket.

After the posting of the Underlying Lottery results of the Underlying Lottery by the Underlying Lottery Operator, bitcoinlotterys.com will determine if users with Underlying Lottery tickets purchased in the particular Underlying Lottery are permitted to receive any winnings. Following a bitcoinlotterys.com review, bitcoinlotterys.com will notify the user who is entitled to the winnings (any winnings over USD\$10,000) in connection with that original Underlying Lottery draw; such notification will take place only by the User/s Personal Account.

For the avoidance of doubt, it is hereby acknowledged that the determination of entitlement to winnings is determined solely by the Underlying Lottery Operator, bitcoinlotterys.com will not be liable to you in any way in connection with any error (including, but not limited, any error due to human and/or technical errors) in any

notification (or lack of) of winnings provided to you by bitcoinlotterys.com, including, but not limited to, errors in the determination of any entitlement to winnings (whether you were wrongly or mistakenly notified that you are entitled to winnings, and/or whether you were wrongly or mistakenly not notified that you are entitled to winnings (including, but not limited to, where such error caused you to receive an amount smaller than the amount of winnings you were entitled to absent such error, or no amount whatsoever) and/or the amount of winnings. It is hereby acknowledged that it is your obligation to review the official results published by the Underlying Lottery Operator, determine your entitlement to any winnings and notify us accordingly.

After the determination of the winners or the notification by you to bitcoinlotterys.com, bitcoinlotterys.com will collect the winnings on your behalf from the Underlying Lottery Operator. For this purpose, you hereby provide us (and anyone on its behalf) with an irrevocable power of attorney for the collection of winnings on your behalf, to perform any action and execute any document and/or agreement for the purpose of collection of the winnings. You also agree to perform any action and execute any document and/or agreement required for the purpose of implementing this power of attorney and collecting the winnings.

Without derogating from the above, you hereby acknowledge that in some instances, the Underlying Lottery Operator may require you to collect the winnings (potentially a Jackpot or an industry recognised large win) in person directly from the Underlying Lottery Operator at the Underlying Lottery Operator's local jurisdiction (or any other place) or require you to perform any other act in person; in which case you hereby absolve bitcoinlotterys.com of any obligation and/or duty to collect the winnings, and it is your responsibility to collect such winnings (including, but not limited to, bear all costs and/or expenses associated with such collection).

The amount of Winnings received by you in your account will be determined by the Underlying Lottery Operator, and you will not be entitled to receive any amount beyond the amount paid by the Underlying Lottery Operator, with regards to winning and deemed Jackpot winnings, bitcoinlotterys.com may also deduct any handling charges, fees and/or commissions, including charges, fees and commissions to be paid to its affiliates of no more than the industry standards.

Your Euro balance in Your User Account will be updated only after (and in accordance with) the payment of winnings by the Underlying Lottery Operator. For this purpose, you acknowledge that taxes, levies and duties may be withheld or paid from the winnings, either by the Underlying Lottery Operator or by bitcoinlotterys.com. Without limitation from the above, you will be responsible for the payment of any and all taxes, levies and fees due by you in connection with the collection and receipt of the winnings referencing your local jurisdiction.

If any errors result in awarding winnings to you or in an increase in winnings paid to you, you shall not be entitled to these winnings. You shall immediately inform bitcoinlotterys.com of the error and shall repay winnings credited to Your User Account in error to bitcoinlotterys.com (as directed by bitcoinlotterys.com) or we may, at our sole discretion, deduct an amount equal to those winnings from Euro User Account or set off such amount against any money owed to you by bitcoinlotterys.com

You hereby acknowledge that personal details related to you (and any other details) will be provided to the Underlying Lottery Operator, if so required, and that this may be a pre-condition for the collection of any winnings.

19. Withdrawal from Your Account:

Withdrawal from Account requests are subject to any deposit type restrictions, transaction and withdrawal limits and security reviews (and any other terms of this Agreement). bitcoinlotterys.com may withhold and deduct any amount from your User Account in order to comply with any applicable regulation or legal requirement.

Withdrawal and payment to you will be made as soon as possible, (within 30 days) although from time to time there may be delays due to a possible security, KYC or AML reviews undertaken by us and where we hold any such payments in accordance with this Agreement.

Cryptocurrency held in the user Account may be withdrawn in multiple currencies according to bitcoinlotterys.com preference. Where funds in your User Account are held in any other currency outside the bitcoinlotterys.com preference, the Company will allocate cryptocurrency calculated in Euros or USD in accordance to your preference and in accordance with the valid exchange rates as determined by the spot price at the time of exchange directly to your personal cryptocurrency wallet.

Any administration fees and costs incurred in connection with such conversion of winnings will be deducted from the winning funds.

We retain the right to withhold any payments to you, in the event that we believe or suspect (at our sole discretion) that you may be engaging in or have engaged in fraudulent, unlawful or improper activity, or if we have any concerns about the operation of your User Account or the withdrawal request. In such cases, we may commence and/or be involved in and/or assist any investigation into such circumstances (including, but not limited to, by way of disclosing any relevant information, including your personal identifiable information, to any third party), and you agree to assist and cooperate with any such investigation.

20. bitcoinlotterys.com Subscription Services – Recurring Cryptocurrency Transactions

On the bitcoinlotterys.com website, a subscription service is also offered.

If an account holder requests to participate, in a fixed, consecutive and repeated purchase in a certain lottery (or lotteries) on making a request, and subject to the provisions of the Agreement, the account holder will participate automatically in the lottery (or lotteries) chosen and in the manner specified by the account holder. The primary subscription period is one month (the “primary Period”), but the account holder may subscribe for longer periods of time (the “Long Period”, and together with the primary Period – the “Period”). Once the Period has concluded, the subscription will auto-renew for primary Periods, unless the account holder provides a notice in accordance with the agreement or opts for a Long Period subscription. Communications with the account holder will take place by Telephone, email and or messages in the account holder’s account. The account holder may always obtain help by telephone using the customer support line or email the details of which are set out on this website under support.

The account holder’s User Account, or the means of payment provided by the user, will be debited for the Tickets that the user has requested to be bought on his/her behalf (according to that account holder’s subscription), at the amount equal to the Cost. It is hereby set out that such amount is usually fixed but may change and become variable, and may not be the same as at the date in which the account holder opted for the subscription, in which case the account holder will be notified of such change by telephone and/ or email and /or through the account holder’s account prior to being charged with the changed amount. The date for the recurring transaction is usually fixed but may become variable depending on various contingencies including delayed draws, insufficient funds in the user’s account and other factors at our exclusive discretion. In cases in which the User Account’s balance is less than the amount (for any reason whatsoever; including, but not limited to, any limits placed by the user), or that the means of payment provided by the user cannot be debited for the amount in whole or in part, then the user may, at our sole discretion, be postponed (and no Ticket will be purchased on behalf of the user) until the user’s User Account is replenished with sufficient funds or the means of payment provided by the user can be debited for the amount (and in respect of the latter – it is the user’s responsibility to inform us accordingly, and we are under no obligation to re-check whether the means of payment can be debited). We are under no obligation to notify the user of any such occurrence, and it is the sole liability of the user to confirm that the user account has sufficient funds to pay the Consideration, or that the means of payment provided by the user can be debited to pay the funds required, in accordance with the subscription. The user hereby releases, indemnifies and holds Us harmless from any claims, liabilities, damages, losses, costs and expenses arising from the postponement of the subscription.

The user may cancel the subscription by notifying us and sending an email to support@bitcoinlotterys.com at least 5 business days prior to the next monthly cycle of the subscription (the "Notice Period"), for the cancellation to become effective in respect of the next monthly cycle (and the following cycles, if applicable); failure to provide the cancellation notice prior to the Notice Period will result in charging the user for the next monthly cycle of the subscription. It is the user's responsibility to confirm that the cancellation notice was received by us, and we will not be liable for any direct or indirect loss or damage caused due to not receiving such a cancellation notice. In case in which the user cancels a subscription for which the user has received some kind of benefit from the us (including, but not limited to, a discount for multiple and/or Long Period subscriptions and/or a present), the Company will charge the user for such benefits upon cancellation of the subscription. No refund will be provided for subscriptions cancelled with respect to past and present Periods and/or past and present cycles, as well as for future cycles where the cancellation notice was not provided prior to the Notice Period.

Each User can join, simultaneously, an unlimited number of subscriptions (for different lotteries).
